Subject Department Introduction:

Chemistry now has 17 full time teachers and 4 technicians, working in our 11 purpose-built chemistry labs. Teachers will have a variety of classes from IGCSE Chemistry in UK Years 10 and 11 and AS/AL Chemistry in UK Years 12 and 13. The subject is highly popular throughout the school with about two thirds of the cohort taking it at AS level and half the cohort at A Level. Results are very high, with over 90% achieving A/A* at IGCSE and almost 85% at A Level. Each year a number of students choose to apply to Chemistry courses in top universities in the UK and US, with a significant number taking up places in Chemistry, Biochemistry or Materials Sciences courses at Oxbridge.

The ideal candidate will be someone who is willing to adapt to the dynamics of the current team, be a pro-active team member and be passionate about incorporating regular practical work into their teaching repertoire. Experience of teaching Chemistry at the highest levels and the ability to facilitate extension classes in Chemistry or Biochemistry will be an advantage.
